

"Through Alliance Women in Missions Fellowship I have learned more about our missionaries, their work around the world and how to pray for them. Quilting fellowship and project day fellowship give opportunities to get to know one another while using our abilities in service to our international workers. I invite all Alliance women to join our efforts for the Great Commission."

"Throughout history women have found that connecting with other women has been a huge support and encouragement in their lives. Alliance Women Ministries (AWM) offers women the chance to serve others and to make a difference in our world. Through efforts to both reach out to our own communities and partner with The Christian and Missionary Alliance international workers around the world, a woman who is part of AWM finds that she can be used of God to bless others."

There are still many spiritually dark places in our world. Jesus calls on us, His people, to push back the darkness and bring His light to these places. In order to do that His people must be **ON THE MOVE to take that light from where it is and plant it in places where it is not. The Christian and Missionary Alliance has targeted several areas of the world that will be given top priority to take this light to them.**

Fremont Alliance Women's local goal for the National ON THE MOVE Project is \$3,000 designated for a "Blood For Life Medical Clinic" to be established in a creative access country.

What if Fremont Alliance Women could enter into the heart of the mission field without ever leaving town?

The world around you is a broken place. You know that people desperately need to hear about a God who loves them and wants to save them. Images of starving people, poverty, natural disasters, fallen governments, wars, and heartbreak cross your TV screen daily.

But what can you do about it? You barely have time to change the sheets, let alone change someone's life a half-a-world away.

What if you invested a few hours a month in a life-changing world ministry?

Fremont Alliance Women in Missions and Prayer is an auxiliary of the Christian & Missionary Alliance (C&MA) organized since 1961 to support and pray for C&MA missionaries and worldwide ministries. The organization has a rich history of allowing women at the small group level to impact mission fields around the world in very real and tangible ways.

How does it work?

In a small group setting you can...

- **DISCOVER** relationships of mutual encouragement and friendship in one of our two monthly **Fellowship Groups**. Together we study God's word, learn about mission fields around the world, raise mission funds, pray, and enjoy good food.
- **LEARN** the tremendous power of prayer to impact the mission field at our monthly **Prayer Day**, as we lift up the personal prayer requests of C&MA missionaries.
- **ENJOY** the satisfaction of meeting the physical needs of Alliance workers through monthly **Projects and Quilting**. Whether it's rolling bandages for hospitals, cutting used stamps, stitching a quilt, knitting prayer shawls or other projects, this is a hands-on way to make a difference.
- **CONNECT** with the women in your church, your state, and across the country at women's retreats and by supporting our annual **National Project**.

When do they meet?

Taking part is easy. There are groups meeting throughout the month at times that can fit almost any schedule.
